

# AFI's 100 YEARS...100 HEROES & VILLAINS

## The 100 Greatest Heroes & Villains

The American Film Institute proudly curates lists that we believe their greatest impact is to inspire people to see a great film and why and, also, to chart the history of American film has marginalized the diversity of voices – and these lists reflect that intolerable truth. AFI acknowledges its responsibility in curating these lists that has reinforced this marginality and looks forward to releasing new lists that will embrace our modern day and drive culture forward.
